ACKNOWLEDGEMENT OF BLUE BOOK RULES SIGNATURE PAGE

Dear Parent or Guardian:

Please take the time to review the Blue Book with your student. An electronic copy of the Blue Book can be found at <http://orlandhigh.orlandusd.net/General-Information/School-Rules-and-Policies/index.html>. This handbook serves as a tool for parents and students to help guide them through the rules and procedures of our school. All students have a Blue Book orientation during the first week of school so main points can be emphasized and questions answered.

Please sign below to acknowledge that you have read and been notified of school rules and policies and agree to the Extracurricular Activity Code. **This page must be returned to the office with the rest of the enclosed forms in order to receive your student's schedule.** If there are any questions related to this handbook, you may contact the administrative office at 865-1210.
