Honorable Mention:

Game Summary:

We got behind 6 – 0 after the 1st inning and were never able to recover. We gave a valiant effort though, as Central Valley is one of the top teams in the entire state with a 22-1 record. Kyle Keyawa continued his hot streak at the plate, belting a long home run for our only run of the game. Brad Paschall came in to pitch in the 3rd inning, and basically shut down one of the top offenses in the state. He gave up 2 earned runs while striking out 3 batters. The highlight of this game, was when Brad struck out the leading home run hitter in the state of California. Pretty darn impressive for a sophomore!
