Rape Crisis Intervention's definition of sexual assault is any act committed against a person's will by force, coercion, or trickery that is of a sexual nature.

Rape Crisis provides a variety of services to sexual assault survivors and their family members and friends within Butte, Glenn and Tehama counties. We can help in an emergency through our 24 hour crisis line, staffed by trained Volunteer Advocates. We offer ongoing support, assistance, counseling, groups and referral to other services. Our services are confidential, except when we are working in a school we are required by law to report to Children Services Division.
