

THINK LIKE A WINNER!

What are the traits that make one man a winner and another man a loser?
The big difference is in how a man thinks. His attitude will govern his actions.

For instance . . .

- A winner is always ready to tackle something new ... a loser is prone to believe it can't be done.
- A winner isn't afraid of competition ... a loser avoids it, thinking the competition will beat him.
- A winner knows he's sometimes wrong and is willing to admit his mistakes ... a loser usually finds someone else to blame.
- A winner is challenged by a new problem ... a loser doesn't want to face it.
- A winner is decisive ... a loser frustrates himself with indecision.
- A winner realizes there is no time like the present to get a job done ... a loser is prone to procrastinate with the hope that things will be better tomorrow.
- A winner thinks positively . . . acts positively... and lives positively ... a loser usually has a negative attitude and a negative approach to everything.

**So, if you want to be a winner,
think like a winner . . .
act like a winner . .
and sooner than you think,
you will be a winner!**
